

# Assignment 3

## Persona | Peter

NAME <b>Peter</b>		MARKET SIZE  <b>60 %</b>	TYPE <b>Artisan</b>
		<b>Background</b> <p>Peter has an education in carpentry and has worked in different carpentry companies the first 17 years of his career. He was hired as a workshop teacher in carpentry at Tinnetaard 8 years ago. Even though he is hired as a carpenter, the job is very diverse as he helps in the other workshops as well. Throughout his career he has been a part of different projects at the school.</p> <p>Peter had no previous pedagogical experience but has learnt a lot from his previous and current students, and now he has a great understanding of what his students can do, and how to teach properly.</p>	
<b>Demographic</b> <p>♂ Male <u>45</u> years</p> <p>📍 Tinnetaard</p> <p>Married</p> <p>Teacher</p>		<b>Quote</b> <p>“ You need to be ready for a curveball ”</p>	<b>Skills</b> <p>Social </p> <p>Gardening </p> <p>Carpentry </p> <p>Farming </p> <p>Pedagogical </p>
<b>Goals</b> <p>Peter strives to create an inclusive environment where every student feels recognized and valued. He also emphasizes balanced growth across the various subjects he teaches, helping students develop independence and confidence.</p>		<b>Motivations</b> <ul style="list-style-type: none"><li>• Seeing his students grow</li><li>• Working on different projects</li><li>• Learning new skills</li><li>• Passing down his knowledge</li></ul>	
		<b>Frustrations</b> <ul style="list-style-type: none"><li>• Not meeting all needs</li><li>• Lack of resources</li><li>• Always having to be energetic, even on bad days</li></ul>	
		<b>Quote</b> <p>“ We have a lot of clever hands here ”</p>	

## P.O.V. Statement | Peter

*I am a 45-year-old man, and I love teaching carpentry. I hate when I cannot meet all my students needs which sometimes happens when the students, I have in my workshop, have different needs. I would like to be able to focus on all my students and see them grow while working on different projects.*

## Persona | Anna

NAME <b>Anna</b>		MARKET SIZE  <b>71 %</b>	TYPE <b>Artisan</b>
	<b>Background</b> A young girl with ADHD who grew up in an environment hostile towards her different personality. Her childhood was full of harsh experiences, both socially and academically. Here at Tinnetgaard, she can shine and grow as much as she needs.		
	<b>Goals</b> Becoming more independent and improving her confidence to live comfortably alone in the future. Learning practical skills which will prove helpful in her career life.	<b>Skills</b> Social  0 25 50 75 100 Gardening  0 25 50 75 100 Carpentry  0 25 50 75 100 Farming  0 25 50 75 100 Academic  0 25 50 75 100	
<b>Demographic</b> Female 19 years Tinnetgaard Student	<b>Motivations</b> <ul style="list-style-type: none"><li>• Being important to the operation of the school</li><li>• Free fuel for free scooters</li><li>• Creating usable products</li><li>• Creating sellable products</li><li>• Creating relationships</li></ul>		
<b>Quote</b> “ If you can think it, we can build it ”	<b>Frustrations</b> <ul style="list-style-type: none"><li>• Going up a ladder</li><li>• Unexpected visitors</li><li>• Unexpected changes</li><li>• Working with no results</li><li>• Not being able to participate in the desired workshop</li></ul>		

## P.O.V Statement | Anna

*I am a 19-year-old girl with learning disabilities, and I love living at Tinnetgaard. However, I hate when I work on a project for a long time without seeing any results. I would like to be able to work on projects without getting frustrated and stopping mid project, so I can stay in the workshop and keep learning practical skills.*
